

Jump! Immersion School

Summer Camp 2018

Join us for this unique program in which we combine learning Mandarin Chinese or Spanish with all the fun and excitement of a vibrant summer camp. Once the children walk through our doors, it is as if they've stepped into China or Latin America!

Our program offers:

- Creative and engaging themes
- Outdoor activities such as volleyball, parachute and soccer
- Water play
- Dance, music and movement
- Traditional games
- Arts and crafts and hands on projects
- Science and exploration
- Stories come to life activities
- Cooking
- Theater program
- Bouncy house sessions
- Visits from professional dancers, DJ, storytellers and our animal and reptile friends

...all with the underlining purpose to increase your child's language repertoire in their target language.

The Jump! method of teaching encourages all children that enter our program to not only listen to what the teachers are saying but also to speak back to them in their new language. We strongly believe that this is the only way children become fluent. When children need anything in the classroom, the teachers will work with the children to help them create sentences in the target language. This method encourages the children to speak the target language in a supportive environment! It takes patience and dedication, which are two of the many qualities our teachers possess.

Our instructors are fluent in their native tongue and very excited to share their cultural knowledge and love for their language with your child. Jump takes language immersion very seriously and the teachers work hard to ensure that your child thrives, feels safe and cared for while having a wonderful time.

Week 1: **Getting to know you...**

Kick off the summer right by getting to know your friends in class, creating your classroom family portraits, participating in team building games and ending the week with making s'mores.

Week 2: **Stars and Stripes forever...**

Let's celebrate Independence Day with fun foods, flag making projects, rockets in flight, friendly competition and balloon popping contests. We are so patriotic!!

Week 3: **Culture of the Rainforest**

Let's expand our minds and learn about the culture of the Rainforest. We will explore the many facets of the great rainforest through culture, music, food, dance and arts!

Exploring the science in the Rainforest...

Week 4: Inquisitive minds will learn the science behind the Rainforest. We will become cultivators of all kinds of flowers, plants and sounds while beautifying our school and turning our camp into a real live Rainforest.

In the Tallest Trees...

Week 5: Let's meet all the animals and creepy crawlers that love to hang and buzz around the tallest trees in the Rainforest. Embrace the cycle of a butterfly, birds and the agility of monkeys and the relationship to the Rainforest.

Rainforest Treats...

Week 6: The Rainforest offers many colorful fruits and vegetables. It contributes to helping our bodies grow. We will grow them, chop them, share them and eat them!

The Deep Forest...

Week 7: The Rainforest comes alive with all the colors of the rainbow. Let's mimic the colorful peacock, chameleon and the beautiful Toucan by mixing primary colors to make secondary colors. Imaginations will soar as we create using different art mediums.

End of Summer Events...

Week 8: We will celebrate our time together with team building games, making maracas and piñatas, playing music and dancing with our D.J and enjoying our ice-cream social.
